

Directions: Answer the following questions and be sure to thoroughly explain your answers.

Requirements:

- Type out the entire question followed by your answer
- Answers must be AT LEAST 5 sentences
- 12-point, Arial or Times font
- Due on assessment day: _____

Reflection Questions:

1. Identify 1 NEW thing you learned so far during this production (i.e. using Final Cut Pro to edit, storyboarding, “pitching” an idea, camera techniques, etc.) and EXPLAIN how you can use this new skill/concept beyond this project...in other words, HOW can you use this skill/concept/process in your life besides in this class?
2. Now that you’ve learned how to produce a video, name 2 adjustments that your group can make to improve your PSA. Explain.
3. Choose a GLO. EXPLAIN what you did in this `Olelo practice module. How did your work on this practice assignment demonstrate ACHIEVEMENT of this GLO?
4. Describe what we are learning in this class and tell me WHY it is important.
